Decorative Tips

It's all about details, details, details. Even the smallest accessories matter. Dress up your hinge by adding decorative tips to enhance your design. Available for the two or three knuckle hinge, in flat or round, these tips will give the finishing touches to your decorative suite.

The cleanest of all hinge types. The two knuckle hinge is simple yet sophisticated.

Two Knuckle Hinge

Split Finishing

Mix it up a bit! Combine bright with satin, or light with dark, and create that extra bit of drama for your opening.

The McKinney split finish offering allows you to customize your hinge to complement any building interior.
