

# McKINNEY Architectural Door Trim Catalog Cross Reference

This cross reference is intended for the use of architects and contract hardware distributors in establishing comparisons between the Architectural Door Trim, consisting of Architectural Door Trim Hardware, Bolts & Coordinators, Door Stops & Holders, Protection Plates & Devices, as well as Push Plates, Pulls, and Pull Plates by McKINNEY and other manufacturers.

These listings have been carefully compiled from the most recent catalogs of the manufacturers involved and it is believed that it represents a fair comparison between the product lines. While all Architectural Door Trim hardware is to be manufactured in accordance with BHMA and ANSI standards, McKINNEY assumes no responsibility for the accuracy of this list of competitors' numbers and suggests that both manufacturers' catalog and templates be consulted for additional information.

McKINNEY welcomes the opportunity to consult with any architect, distributor, contractor or builder at any time regarding any matter concerning the specification of our products.

The McKINNEY products listed in this cross reference are part of an established program of extensive product testing and BHMA certifications that may not be available on the listed competitor products. Please confirm individual test result prior to submitting quotes and proposals.
