To Whom It May Concern:

McKINNEY Hinges, Architectural Door Trim and Threshold & Weatherstrip products are guaranteed to be free of defects in both workmanship and materials. McKINNEY's liability under all warranties, express or implied, shall be limited to replacement of defective goods. These defective goods must be returned to our factory in Berlin, CT., unless specified otherwise. Freight charges must be prepaid unless noted otherwise. A factory generated Return Goods Authorization will be provided as no goods will be accepted without prior approval. Any bending, defacing or modification of our product after leaving the factory will void the warranty.

This guarantee is only valid if the products are specified, applied and adjusted in accordance with the instructions contained in the General Information Section of the McKINNEY catalog and on frames and doors that are plumb and square. This guarantee is good for one (1) year.

Please be advised that we do not have operation and maintenance manuals for our products.
