

McKINNEY

To Whom It May Concern:

This is to certify that McKinney hinges are fabricated in our Scranton, Pennsylvania, U.S.A., manufacturing facility. If required, please furnish us with your Steel Certification form and we will have it executed, signed and sealed with our corporate seal. In addition, we conform to the following standards:

- The American National Standard for Butts and Hinges - ANSI/BHMA Standard 156.1
- The American National Standard for Template Hinge Dimensions - ANSI/BHMA Standard 156.7
- The American National Standard for Self-Closing Hinges & Pivots - ANSI/BHMA Standard 156.17
- The American National Standard for Materials and Finishes - ANSI/BHMA Standard 156.18
- The American National Standard for Continuous Hinges - ANSI/BHMA Standard 156.26
- The National Fire Protection Agency - NFPA-80 & Life Safety Code 101 *
- Underwriters Laboratories, Inc - UL® *
- Americans with Disabilities Act – ADA *
- McKinney Products Co. is a member of the Door and Hardware Institute (DHI) as well as a member of the BHMA – Builders Hardware Manufacturers Association.

** Refer to individual product specification for compliance*
