McKINNEY Pin & Barrel Type Stainless 300 Series and Steel 3700 Series

McKINNEY hinges are guaranteed to be free of defects in both workmanship and materials. McKINNEY's liability under all warranties, express or implied, shall be limited to replacement of defective goods. The defective goods must be returned according to the instructions on our returned goods authorization. No products will be accepted without prior authorization. Any bending, defacing or modification of a hinge after leaving our factory will void the warranty.

This guarantee is only valid if the hinges are specified, applied and adjusted in accordance with the instructions contained in the general information section of the McKINNEY catalog and on frames and doors that are plumb and square. This guarantee is good for ten (10) years.
